REGIONAL CONFERENCE 2009

OBERON

Jenolan Caves House 30 April—1 May 2009

PRESIDENT'S WELCOME

On behalf of the organising committee of the 2009 EDAP Western Group's 60th Annual Regional Conference I would like to extend a warm invitation to delegates, exhibitors, sponsors and speakers to the Oberon Conference being held at the magic Jenolan Caves.

The organising committee offers a program with a variety of current topics for delegates covering the fields of Environmental Health, Building Surveying and Town Planning. The program includes a fascinating tour of the Lucas Cave. The Jenolan Caves are regarded as Australia's most outstanding cave system.

The EDAP conference has a reputation for providing topics and presentations of a high standard and a great opportunity to socialise with other professionals.

The Jenolan Caves venue is a real retreat where you can experience one of Australia's astounding natural wonders giving delegates memories for years to come. As the brochures say it is like stepping into another world.

EDAP would like to thank its many loyal sponsors and acknowledges the contribution of Oberon Council and Parkes Shire Council to the event.

I look forward to seeing you at the conference.

Steven Campbell
President
EDAP Western Group
