### PRESIDENT'S WELCOME

On behalf of the organising committee of the 2010 EDAP Western Group's 61st Annual Regional Conference I would like to extend a warm greeting to delegates, exhibitors, sponsors and speakers to the Forbes Conference.

The organising committee offers a program with a variety of current topics for delegates covering the fields of Environmental Health, Building Surveying and Town Planning. The program includes a tour of the Central West Livestock Exchange one of Australia's foremost saleyards, the visit will offer a glimpse of wide span building construction, latest technology and industry best practices and McFeeters Motor Museum. This purpose built facility, in tilt up construction, contains a vast collection of meticulously restored motor cars.

The EDAP conference has a reputation for providing topics and presentations of a high standard and a great opportunity to socialise with other professionals.

Under the slogan 'FRIENDLY, HISTORIC, INVITING', Forbes Shire, situated in the heart of the Lachlan Valley, is regarded as one of the richest primary producing areas in the state. Bushrangers Ben Hall, Frank Gardiner and their respective gangs became notorious for their daring robberies in the district, and stories of their exploits have become part of the folklore.

EDAP would like to thank its many loyal sponsors and acknowledges the contribution of Forbes & Parkes Shire Councils to the event.

I look forward to seeing you at the conference.

Steven Campbell  
 President  
 EDAP Western Group
