### Australian Fossil & Mineral Museum, 224 Howick St, Bathurst

The Somerville Collection is the lifetime work of Warren Somerville and features some of the finest and rarest examples of minerals and fossils in the world. The specimens currently on display in the Museum represent about one quarter of the total Collection.

Highlights from the mineral collection include crystals from over 100 Australian mine sites, 2,000 million years old garnets, as well as diamonds, sapphires, rubies, emeralds and other gems from around the world.

Features of the fossil collection include a T.rex skeleton, Australia's largest collection of fossils in amber, fossil dinosaur eggs, some of the oldest fossils of early forms of life, and a large collection of Australia's unique opalised fossils.

### Bathurst Regional Art Gallery, 70-78 Keppel St, Bathurst

A combination of beautiful natural landscapes and the dynamic history of villages such as Hill End, Carcoar, Sofala and Millthorpe have created a unique attraction for visual artists in the Bathurst region since 1815. Bathurst Regional Art Gallery has forged strong links with surrounding townships and within the local community to create a vibrant space showcasing the full spectrum of artistic endeavour. Built in 1989, it was the first purpose built regional gallery in NSW, and provides professional development opportunities for local and regional artists. The Gallery is a creator of quality touring exhibitions, and operates the highly celebrated Hill End Artists in Residence Program. Located on historic Keppel Street, Bathurst Regional Art Gallery is a modern, well-equipped and highly celebrated regional gallery.
